Business Reference | Prepared by Go Logistics Ltd for Commercial Realty Limited

Kerry McGuffog and the team at Commercial Realty assisted Go Logistics Limited in concluding the lease of 102 Mays Road, Onehunga.

The team at Commercial Realty has proven professional, efficient and ultimately effective throughout the leasing process and in our ongoing relationship with them.

Go Logistics Ltd are happy to act as a reference for Kerry and the team at Commercial Realty and would have no hesitations in recommending them to any client looking for professional industrial property agency services.
